I would be water
if I could,
blue,
deep, silent in those depths,
leaving,
but always returning
to shore.
It's like that:
leaving you
is going out to sea,
to strangeness,
but this year
leaving is not
final.
Like the water,
I'm leaving
but I'm coming back
to shore.

BENEDICTION

Wisdom, be thou more precious
than possessions without end.

Truth, be thou more sacred
than the pleasing of a friend.

Courage, be thou our strength
to gain the distant goal.

Beauty, send thou a cleans-
ing wonder to our souls.

Goodness, be thou our guide
upon life's way.

Peace, be thou the benedic-
tion of our day.

(Jacob Trapp, Donald S. Har-
rington)
